

Fees for Manufacturing and Public Utilities Based in a Rocklin Commercial Location

Every person engaged in manufacturing and/or selling any goods at wholesale, and every public utility, except any public utility which makes an annual payment to the city under a franchise or similar agreement, shall pay an annual business license tax based upon gross receipts in an amount determined as follows:

\$200 plus \$0.50 per \$1,000 of annual gross receipts over \$200,000

The Gross Receipts Worksheet is included with the business license application forms. In addition to the business license tax, an application fee of \$11.00, and a Certificate of Occupancy fee of \$202.00 will be due.

A completed copy of the worksheet must be submitted with the business license application, along with a payment of all applicable fees. If you need further assistance, please call (916) 625-5000.
